Continuation of 2. NOTE: In claim 1 the limitations of "watertight" and "for supplying power to said storage means and said sound transmission means", and the limitation in claim 4 "of moving water" raise new issues which would require further consideration and search. Further, the change of dependency of claim 2 to a newly added claim, presents a combination not previously considered and therefore raises new issues which would require further consideration and search, and additionally the newly added claims 10-19 would likewise require further consideration and search.
